# Legal services

Foreign investment

We provide the necessary legal procedures to serve investors from inside and outside the Kingdom within the applicable regulations and legislation in the Kingdom of Saudi Arabia, provide the service of registering foreign investment companies, issue all their government licenses, and provide all legal services that the foreign investor needs to preserve all rights.

Establishing companies

We provide our clients, entrepreneurs and companies, with all types of establishment services and for all activities, whether investment, commercial, or service, by implementing the necessary legal procedures for establishing companies, which include issuing a commercial register in proportion to the company's activity, drafting an incorporation contract between partners, and other requirements that preserve the rights of our customers..

Labor issues

We provide legal solutions in cases and disputes that may arise between employers and employees or between employees and employers. We also seek to protect the rights of our clients and provide justice.

Real estate issues

We have deep experience and knowledge in local real estate laws and regulations that contribute to providing support and advice to our individual and corporate clients to implement and protect their real estate rights.

# Legal services

Intellectual  
property issues

Our company provides services for protecting intellectual property rights, registering patents and trademarks, and preserving the rights of authors and inventors by registering them with specialized authorities.

Legal  
documentation

The company is considered a certified notary with a license provided by the Ministry of Justice in the Kingdom of Saudi Arabia. We provide you with the process of authenticating documents and contracts to confirm their authenticity and legitimacy in order to protect the rights of individuals from forgery, which includes authenticating contracts and agreements, authenticating instruments and real estate.

Legal advice

We provide all legal consultations to individuals, companies, and local and foreign institutions, and support businessmen and women with judicial advice and professional legal opinion with all professionalism. We aim to protect and prevent our clients from falling into disagreements, disputes, and legal disputes, as the service is provided directly or through annual consulting contracts.

Commercial  
issues

We provide you with legal solutions to resolve disputes and commercial issues that arise in the course of business to preserve and obtain the rights of our customers with complete confidentiality and reliability.

# Legal services

## Administrative issues
